

NOVA AI STUDIO

SUSHI

VISUAL PORTFOLIO

AI-created campaigns for sushi brands, restaurants and delivery concepts.

[instagram.com/nova.studio.ai_](https://www.instagram.com/nova.studio.ai_)

One product. Multiple visual worlds.

A flexible content system for social media, menus, launches and campaigns.

01

Commercial Concepts

Bold, high-impact food imagery built for attention.

02

Artistic Editorials

Distinctive visual identities with collectible campaign style.

03

Lifestyle Scenes

Human-led storytelling that makes the brand feel alive.

04

AI Motion

Any still image can be transformed into a short animated video.

BOLD FOOD CONCEPTS

Unexpected, scroll-stopping compositions that turn menu items into campaign moments.

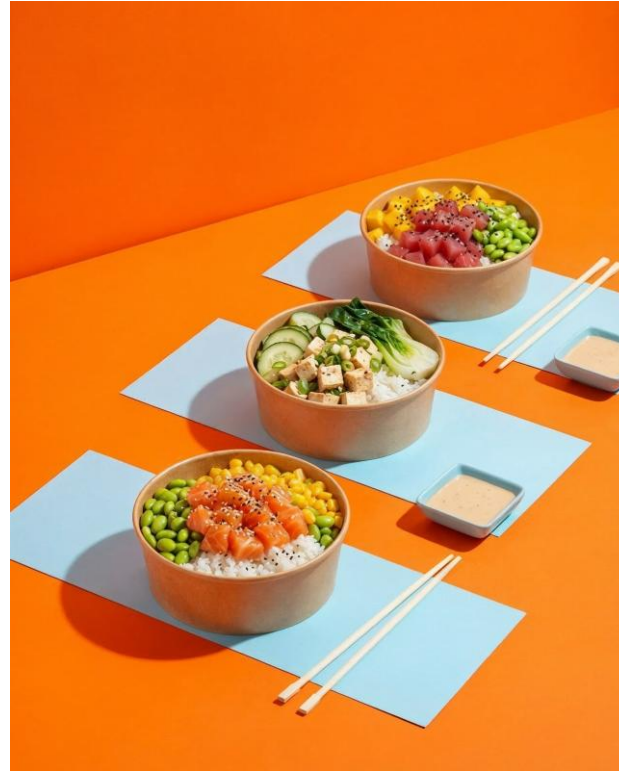

LIFESTYLE & BRAND STORYTELLING

Color-led scenes designed for social media, launches and seasonal campaigns.

LIFESTYLE & BRAND STORYTELLING

Color-led scenes designed for social media, launches and seasonal campaigns.

SIGNATURE STYLE

ARTISTIC EDITORIAL SERIES

A cohesive campaign language combining sushi, fashion, surreal characters and retro print texture.

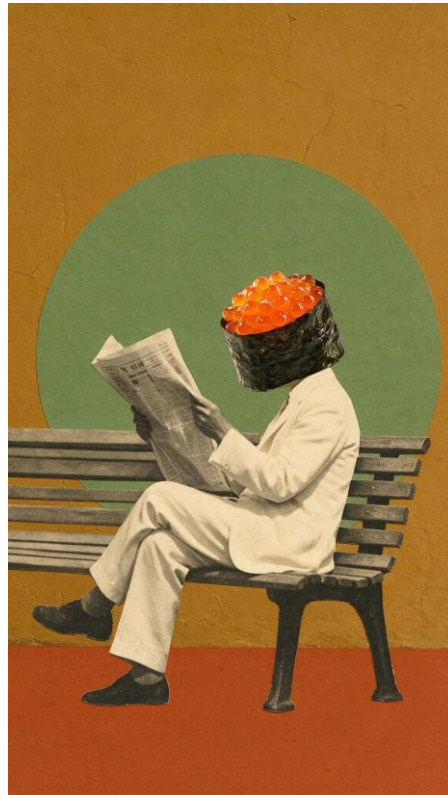

A complete visual universe

Consistent in tone, flexible in scene and ideal for a recognizable social feed.

A complete visual universe
